Pedestrian Killed By Train

Date/Time: 03/18/2022 @ 10:34 P.M.

Location: 3600 block of Rosa (Train Track Area)

Pedestrian: Unidentified Male, adult unknown age

EL PASO, Texas — On Friday night a pedestrian was killed by a train in Central El Paso. At 10:34 P.M., Union Pacific Railroad received a call reporting that a pedestrian had been hit by a train. Patrol Officers from the El Paso Police Department responded to the area of 3600 Rosa Ave. The Officers found an unidentified male that had been killed by the train. Members of the El Paso Police Department Special Traffic Investigations Unit responded to assist in the investigation. Investigators found that a Union Pacific train with 30 cars was traveling westbound on the tracks. The operators noticed a man on the railroad tracks and immediately attempted to stop the train and sounded the horn. The train was not able to stop in time, and the pedestrian failed to move out of the way despite the various warnings. At this time the investigation continues and investigators are attempting to learn the man's identity. Currently, no further information is available on this case for public release.
